54 Muslims only think about justice not liberty and tyranny/ This will end bad because it won’t translate for future generations.

69 women, slave, and unbeliever hold the lowest status in Islam. Two of which can lose that status

82 Islam ended birth, status, and wealth privilege of inheritance of power

103 there was no secular movement in Islam because there was no render under Caesar. This means there will be no “Islam reformation” we hear people ask for on the news.

113 Christianity and Judaism were tolerated as they were seen as earlier versions of Islam. Those days are over, the powers in charge are trying to paint Islam as something with no relation to any faith in the world. They could do this to Christianity, turn a brother against a brother.

139 we find no writings of philosophy in the Ottoman Empire. More proof this is what Allah would want where the faith runs the society and nothing else.
